

A man and a woman, likely medical professionals, are standing in a modern, brightly lit hallway. They are both wearing light blue long-sleeved polo shirts and white trousers. The woman on the left has a stethoscope around her neck and her hands are on her hips. The man on the right is holding a clipboard and a pen, looking down at it. In the background, there is a staircase with a glass railing and a bright light source. The overall atmosphere is professional and clean.
