

# MEDICAL TEAMWEAR

We connect brands with people –  
we are JAMES & NICHOLSON by Daiber

JAMES &  
NICHOLSON  
*by daiber*

No two industries are the same – and every industry has their own requirements concerning the outfits of companies and employees. Be it in an operating theatre, in a lab or in the nursing care sector: Thanks to our wide range of products and colours, hygienic, washable fabrics and durable collections, you are perfectly equipped for routine medical work.

Personalize your appearance. Plenty of decoration techniques can be used for our textiles and caps, thus making for a unique, professional impression. We are pleased to advise you on the options.

**COOLMAX®**

Through the channels of the breathable COOLMAX®-fibre humidity is evacuated extremely fast to the outer layers of the fabric. Thus the body is kept dry. At the same time a natural temperature control of the body is supported.

**LYCRA®**

Lycra® allows the fabric both to stretch significantly and to retain its shape.  
**sport** Fabrics and garments made with Lycra offer exceptional fit, comfort, freedom of movement and wrinkle recovery.
