

Mix & Match for a FANtastic World Cup!

In 2018 it is all about football again - in the year of the World Cup there are many interesting sporting events ahead of us.

Moments in which we share the excitement of the athletes, cheer them on and celebrate idols. What is more overwhelming and more amazing for athletes than being cheered on by their fans? For the perfect feeling of 'right in the middle not just on the sidelines' everybody will find their individual fan wear in the product lines of JAMES & NICHOLSON and myrtle beach. The entire range of T-shirts, poloshirts, etc. as well as caps and hats, is available to fanclubs, clubs and athletes in up to 52 colours. For any occasion, all the products can be decorated with print or embroidery of a motto, national flag or logo, thus creating a FANtastic feeling of belonging together.

Those who would like to be more active and do not content themselves with cheering on the athletes, feel the urge to play football themselves.

With JAMES & NICHOLSON football clubs will find everything for the perfect team look. Pants, T-shirts, jackets, caps and socks can easily be combined individually in mix and match. Cool styles, a broad selection of colours, breathable fabrics, as well as modern and practical cuts are on the agenda here.

Of course, the teamwear of JAMES & NICHOLSON can also be decorated with print or embroidery of club logos or sponsors' logos. Gustav Daiber, an experienced full service provider, offers comprehensive advice on the perfect decoration techniques.
