

Ready to go!

Look trendy with the new James & Nicholson jacket collection.

The new Gustav Daiber jackets stand out in a new stylish form and are perfectly made up of 2 layers of soft shell material. So there is nothing else standing in the way of outdoor activities, whether rooftop events in the middle of the town or outdoor promotion campaigns. The new trendy stylish form makes the jacket ideally suited for city life, accompanying you strolling through the town or taking a midday walk in a gentle breeze.

A comfortable cut and a perfect fit with an elasticated waistband at the back ensures great freedom of movement. The ladies wear has an extra comfort factor due to the tapered fit. The new softshell jackets are available for women in sizes from XS to XXL and for men from S to 3XL.

The jackets with kangaroo pocket with a covered zip and a contrast coloured mesh lining create a trendy casual look. The new James & Nicholson collection is not only stylish but also functional. The attached adjustable hood is ideal to adjust to the weather conditions, without missing out on planned outdoor activities.

The men and women jackets are available in seven trendy colour combinations, that catch ones eye. High-quality material, first-class finishing and the numerous interesting features round off this product range.

In combination with the colour matching Myrtle Beach accessories, they will become THE eye-catcher of the season. How about the cool beanies, scarfs or x-tubes knitted or in fleece. They not only keep you warm, but add the final touch to your perfectly colour matched outfit.

James & Nicholson and Myrtle Beach – always at your side.
